FRANCIS + LOUISE

Francis + Louise is a contemporary accessories brand, born out of an obsession with colour and pattern and their unique ability to express a mood or feeling. This is at the forefront of the collections with each piece playfully imagined with a sophisticated edge.

F+L create accessories that are unique, timeless and beautifully made design pieces. Each collection is handmade and in small quantities driven purely by demand.

We source high quality fabrics and print with eco inks. All our fabrics are original hand painted artworks. Designed in London and finished by highly skilled craftsmen made in the UK. Sustainability is very important to us we only print what we need, using every last piece of fabric creating no waste. All our packaging is eco-friendly.

Francis + Louise was created by Kerri O'Brien, she hand paints and designs all the prints for the F+L collections. she is trained a printed textile designer and has been working in the fashion industry for over 15 years.
